

Gimme Two At Once!: Taboo Forbidden Threesome Erotica BUNDLE

I stared back and forth between the two men, unable to believe this was happening. Not only were they going to pleasure me, but they both wanted me - and were going to take me together! Sometimes, just one strong, powerful man of the house isn't enough. Sometimes, a woman has a powerful hunger, telling her that just one man is not enough to fill her up, to give her the desire that she so desperately needs. Sometimes, she needs two men. At once... And when there isn't an available boyfriend or husband, these bratty women settle for the nearest rod at hand - even if it's a taboo, forbidden, deliciously sensual choice to make! In these three stories, so sexy they'll make you shiver, author Sara Queene reveals what happens when a woman decides that one isn't enough - and she declares, Gimme two at once!
