

Haiku Poetry for Success: Bizkus Vol. 1 (Dragonfire for Business & Life) (Go Booklets)

Haiku. Kindle. Ancient poets couldn't have imagined the pairing, but haiku poetry has survived many generations to entertain today's tablet readers. In this unique haiku poetry series, Japanese creativity inspires anew this time as success books. BIZKUS or business haiku are one of the most accessible personal growth tools you can enlist. You won't need to be a lover of poems to appreciate the instant gratification. Scroll the entire collection of 200 entries in 1,160 seconds (19 or so minutes). Traditionally, haiku are three distinct lines. 5-7-5 syllable pattern. Formatted for Kindle and other mobile devices, they can occupy one to three lines.

While it takes just 5 seconds to read a bizku, one just might challenge a long-held perspective. Motivational books for women, men, adolescents, and young adults always make a great gift. Inspire laughter, looking twice, and thinking anew. Form winning habits. Our creativity hacks are perfect for in-between moments: subway, airport, cooking, waiting in line, or intermission. Boost productivity in even your smallest increments of spare time! Would you prefer a pretty-formatted .pdf of the book? Includes cover artwork, cleaner typesetting, a single bizku isolated per page, and 43 black/white photographs. Purchase the .pdf version at our bookstore here:
