

## Erotic Fantasy & Science Fiction: Depraved & Indifferent Series, Volume 18

In these three erotic tales, designed to stimulate the senses, we read of formidable Martians looking to secretly spread their seed under the guise of craftiness. We also read of a beautiful and enchanting woman who uses witchcraft to make her men just the way she wants them to be. We also read of a provocative and seductive queen who is cursed by not being able to reach orgasm no matter how hard her or her lovers try. A couple of brave and innovative brothers seek to change all that, and risk their very lives in order to do so.
