

Carrying a Kings Child (Dynasties: The Montoros)

One night leads to the pregnancy surprise of a lifetime in this novel from USA TODAY bestselling author Katherine Garbera. Tapped to become king of his family's ancestral homeland, hotshot Miami businessman Rafe Montoro needs a break from the pressure. A night with Key West bartender Emily Fielding is just the ticket until weeks later, when she shows up pregnant! Emily wants her child to know its father, though as an unsuitable commoner, she doesn't want to block Rafe's ascent to the throne. Still, there's that unrelenting chemistry between them that won't be denied. Will Rafe have to choose between love and country after all? Be sure to read the other sizzling and scandalous stories in the Dynasties: The Montoros series, only from Harlequin Desire!
