

## The Motherfucker

Nobody could have guessed that this young man, Carl, a cool and clever, well behaved adolescent, would be harbouring such deviant personality traits. But when Carls stepfather finds him in bed with his wife, Carls mother, things start to go very wrong. In the turmoil that follows, she gets badly beaten up, ending up a dialysis patient. From then on Carl is denied the motherly comfort and security he needs to stay on the right track and is transformed into a ruthless predator in search of its pray. Void of remorse and compassion he sets out to find a suitable kidney for his mother. His path is soon littered with victims. Chief Inspector Lindstrom focuses on him at an early stage but Carl is too smart and cautious, never leaving anything behind that could be used as binding evidence against him. During his lethal rampage it is inevitable that his enemies, whether mutilated, hurt or humiliated, will try to get back at him. Will they succeed? Find out what turns the eerie events take!
