

Bubbling Up Release from Within

I believe this collection of inspirational poems will reveal the need for an intimate relationship with God, that it will create a hunger in you for his truth. May it touch you with joy, while you learn how special you are in his sight. I pray that you discover him as your father and place trust in him. This book contains practical and biblical principles for achieving peace and direction. It emphasizes a need for an open look at oneself. The words offer guidance through life's trials and tribulations. While glorifying the name of Jesus through its simple language, I expect this collection of poetry to feed your spirit and help you to grow in wisdom. It's full of energy and focused on the unconditional love of God. Through exploiting the enemy, it will cause you to be aware of deceit and openly leave you with a choice. I believe you will find yourself in every page.
