

Thoughts, Notions and Devotions

This book is about poems to the Lord Jesus Christ and His love for each of us. New rhyming ways to sing praise to the Lord Jesus Christ. A book to help one to meditate on the Lord and also to grow closer to Him. It is my sincere desire that each reader will enjoy the praise and worship poems and the stories in this book. For those close the Lord, I hope you get closer, and for those who are not very close, I hope you will draw near unto the Lord! If one person should give his or her life to Christ upon reading this book, it will be truly awesome and I do hope it will help someone.
