

His Black Naughty Girl: INTERRACIAL EROTICA

Logan Chadwick was what lots of girls would find attractive, me being no exception. He was 62 and 215 lbs (according to the Crystal Bend Gargoyles Football Roster). He had dirty blond hair and emerald green eyes. He was attractive, no doubt, but there were things about him that I hated. I loathed the way he walked the halls, acting as if he owned the school and the city, for that matter. Crystal Bend, Oklahoma is a small, mining city thats about an hour and a half away from the Red River; his family owned the mines, the lifeblood of the town which means that, indirectly, he did own the town and he knew it. Thats how he got in this position, the position where he needed me. My older brother, Dillon, played football with him from the time Logan was a freshman until Dillon graduated last year. Dillon would make jokes about how Logan was a white boy that felt entitled to everything because he was rich and white, and our stepdad, James would remind him that it was wrong to badmouth his teammate and one of James players; James was the head football coach. Dillon was right, though, Logan oozed entitlement and it was sickening. Imagine my surprise when Logan Chadwick, Mr. Hot Shot Jock, walked up to me, Lauren Jameson, Madame Bookworm, and said I need you. Well, honestly, I about slapped him across the face until I realized that he meant an actual favor.
