

## Never Too Late

Number-one New York Times best-selling author Robyn Carr examines the lives of three sisters as they step beyond the roles of wife, mother, and daughter, and discover the importance of being a woman first. Clare Wilson is starting over. She had it with her marriage to a charming serial cheater. Even her own son thinks she's given his father too many chances. With the support of her sisters, Maggie and Sarah, she's ready to move on. Facing her 40th birthday, Clare is finally feeling the rush of unadulterated freedom. But when a near-fatal car accident lands Clare in the hospital, her life takes another detour. While recovering, Clare realizes she has the power to choose her life's path. The wonderful younger police officer who witnessed her crash is over the moon for her. A man from her past stirs up long-buried feelings. Even her ex is pining for her. With enthusiasm and a little envy, her sisters watch her bloom. Together, the sisters encourage each other to seek what they need to be happy. Along the way, they all learn that it's never too late to begin again.
