

In Good King Charles Golden Days

A wonderful restoration comedy written by the great George Bernard Shaw, the play is set as a discussion on the nature of power and wealth between King Charles II and Isaac Newton, George Fox and Godfrey Kneller. The kings three mistresses intervening along with his queen. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
