

Johnny Ludlow, Vol. 3 of 3 (Classic Reprint)

Mrs. Todhetley sbelief, -some people are born to be unlucky. Not only individuals, but whole families. I have noticed it times and again, Johnny, in going through life, she has said to me :illluck in some way lies upon them, and upon all they do; they cannot prosper, from their cradle to their grave. That there will be some compensating happiness for these people hereafter for they do exist is a belief we all like to cherish. I am now going to tell of people in rather humble life whom this ill-luck seemed to attend. That might never have brought the family into notice, ups and downs being so common in the world: but two mysterious disappearances occurred in it, which caused them to be talked of; and those occurrences I must relate before coming to Dorothy sVOL.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
