

## Found at Sea

Andrew Greig recounts in poetic sequence the tale of his open dinghy voyage from Stromness in Scapa Flow and an overnight stay on Cava (an island formerly inhabited for over twenty years by two unusual women) in poetic sequence. In sailing small boats in scary open waters Andrew Greig found a new activity and a new metaphor for life. Written in six weeks, Found at Sea is a very wee epic about sailing, male friendship and a voyage. Bon voyage!
