

I Am Soulpoet: 18 Years of Vision in Verse

I Am Soulpoet: 18 Years of Vision in Verse unveils Nils Odhners groundbreaking poems. A teenage existential crisis, culminating in a powerful mystical experience, propelled him to begin spilling his subconscious onto the page. The rest, as they say, is history. Partake of the poets most lucid and brutally real visions, captured in verse. Its our hope that you enjoy the read. If anything, youll get to know Nils a little better.
