

## Sexy Mythconceptions: Pandemonium

Book two in the Sexy Mythconceptions Series The love doctor is in but can he take a dose of his own medicine? Pan, the Arcadian god of lust and magic, has had enough of his restricted existence hidden away on Arcadia. When Cupid, the Greek god of love, suggests he live on Earth, Pan decides to give it a go. Pan establishes himself as the luuuuuuv doctor and announcer for a nighttime romantic music slot with a local radio station. He plays his pan-pipes, entralling all who listen. Cupid warns Pan that his days of playing fast and loose with womens emotions are numbered. Sure enough, Pan meets Kris, the woman who takes him to task. The leather-wearing, Harley-riding, hard-ass psychologist has her own agenda, and it doesnt include him. Before he knows whats happening, she has turned the table on the god, and hes smitten. Kris is exactly the right medication, the perfect dose for the nomadic God of Lust, who has finally found a love of his own.
