

The Archers Sequel

Bigger! faster!! stronger!!! Well, our nameless hero is none of those things. Trying to recover from earlier catastrophes, he retreats to the Greek island of Sanmythos for some rest and relaxation. He finds neither, drinks too much, sleeps with beautiful women and ends up battling a vicious smuggler. Predictably this ends in disaster. He returns home to a world full of ghosts and woe. His past, present and future are colliding. Forced to pick up his bow and try once more to be a real hero, the Archer will meet new friends and lovers before dealing with the ultimate opponent. . . Death himself.
