

## The Healer

...an absolute stunner ... a ride that never lets up... Book News and Views packed with action and ideas and ... characters you wont forget ... Twist and Shout Josh lifted his hands over the broken body of his friend, and white light sparked off his fingertips. All the power of the universethe power of give and take, in and out, push and pullthe energy of relationship, the cosmic forces that held reality together...flowed effortlessly from his hands. The light grew in brilliance and intensity. The stuff of the stars fell from his fingers and glittered over, around and through the wounded boy. It took on colors never seen before, flowing in incandescent glory. Patterns formed and changed and formed again. No one watching had ever seen anything so beautiful, nor ever would again From a future torn apart by environmental disaster and impending nuclear doom come the seeds of a new tomorrow. Events flowing in two different times hurtle onward toward a terrifying end and a breathtaking new beginning.
