

## The Pleasure Farm: An Everything-Goes Sex Resort: Book One

Nudist resorts are common, but this one lets guests mix and mingle in any naughty and lusty manner they desire...for all to see and watch and participate. Are there such places? Yes, there really are and you can book a room at one any time you want. Or you can read about Ben and Sabrina Frazier who go with their friends, Michael and Jessica Walters, for a day of decadent sybaritic pleasure like you never thought possible. Be there when the bodies all commingle and come together. You'll lose track of the orgasms, this is one wild place. Join in with them all, it's all about the sex. Authors note: All characters depicted in this work of fiction are 18 years of age or older and none having sex are blood-related.
