

## Selected Poems and Letters (Collins Classics)

HarperCollins is proud to present its new range of best-loved, essential classics. I am certain of nothing but the holiness of the Hearts affections and the truth of the Imagination. One of the most popular of the Romantic poets, Keats poetry is suffused with adoration for natural beauty, exploration of joy and pain, and ideas on the transience of life. This new collection combines many of Keats well-loved poems from Ode to a Nightingale to Bright Star with his letters, often studied, analysed and admired in parallel and offering a fascinating insight into the life and mind of the famous poet. Despite a lack of recognition during his own lifetime, Keats work has touched the hearts and minds of many, and deserves its place in the canon of English literature.
