

THE VAMPIRE RENFIELDS MUSE: A Paranormal Erotica Short Story

Cordelia presents a unique problem for the vampire Renfield. Ordinarily, mortal women are easily manipulated and simple to seduce, but this fiery redhead is something else altogether. Why won't his usual vampire charms work? He's so captivated that he sets out to seduce her the old-fashioned way, without any of his power at work. But whose seducing whom, here? Maybe it doesn't matter because this night is filled with erotic joy. Warning: This ebook contains very explicit descriptions of sexual activity during a paranormal sex encounter. It includes deep throat, vampire sex, oral sex, and rough sex. It is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults. Here is a preview: Renfield, would you like to come home with me? The combination of her touch and her words made him jump, knocking over his scotch, ice scattering across the table. They both laughed. I normally don't ask men I've just met to come home with me. Cordelia's voice was soft, her eyes gleaming in the dim light of the bar. But there's something here I don't understand, something about you something familiar that's touched me, that I want to pursue. I think you feel it too. I'm not an impulsive person but I do believe in following my heart. Renfield nodded his head. I would very much like to come home with you, Cordelia. He was excited on so many levels at the prospect of being alone with her. He realized he wanted her body, wanted to make love to her, very badly, but that wasn't the sole driving force behind how he felt. Cordelia excused herself to the restroom. Renfield had the briefest desire to bolt from the bar; he wasn't sure he could take the intensity of his feelings. But when he saw Cordelia walking back toward their table, her smile at seeing him lighting up her face, his doubts vanished. He stood as she reached the table and before he realized it, pulled

her into his arms and kissed her.
