

The Whole Enchilada LP: A Novel of Suspense

Goldy Schulz knows her food is to die for, but she never expects one of her best friends to actually keel over while she's leaving a birthday party Goldy's catered. At first, everyone assumes that all the fun and excitement of the party, not to mention the rich fare, did her in. But what looks like a coronary turns out to be a generous serving of cold-blooded murder. And the clever culprit is just getting cooking. When a colleague woman who resembles Goldy is stabbed, and Goldy is attacked outside her house, it becomes clear that the popular caterer is the main course on a killer menu. With time running out, Goldy must roll up her sleeves, sharpen her knives, and make a meal out of a devious murderer, before that killer can serve her up cold.
