

Cyportal (UI) (Volume 1)

(Please note: there are 4 versions of this novel available, but the only difference is the cover.) A brilliant masterpiece of gripping Sci fi action, adventure, and suspense. Cyportal Book One UI is a novel in the style of Hyperion, Dune, and the Davinci Code. It is the first novel, in a series that will probably consist of 4 different titles, and is inspired by Dan Simmons, Dan Brown, Frank Herbert, and others. It integrates actual human history (like the Roswell incident) and science fiction into a complex mix of drama, action, adventure, and story telling. Cyportal Book One UI tells the story of Angelina X.D. Tchaikovsky, a beautiful young woman living at the end of the 28th century who holds a degree in 28th century theoretical physics. She works as an intel agent for the GACS AI government when first contact is established with the Ildiran Empire and its Ildirans. Soon, this new relationship with the Ildirans turns hostile, and the first Interstellar War in the history of humanity nears. In this new situation Angelina is forced to turn against her government, and she joins the joint Insurgency movement. As she finds out her real identity it becomes clear that she will become a great leader and messiah who will have to defeat the AI system that dominates humanity, and return society to human control. In the course of time, the lost Human Dominion is found, but as they cant accept AI domination they side with the Ildirans against GACS. When the lost Ark of the Covenant is found in a mysterious cave on the world of Rigel Octi, it is unknown what its purpose really is. But when the first Interstellar War comes to an end, Angelina unleashes incredible energies onto the space fleet of GACS using the Ark, so deciding the outcome of this colossal military and ethical conflict. And now the three dominions of the Human Federation, the Human Dominion, and the Ildiran Empire are united into the
